The Students of Alemany High School:

We are happy to extend to the Class of 1961 our sincere best wishes and prayerful petitions.

"Progress" is an evident mark of emphasis in the area served by Alemany High School, and we are confident that this spirit will stimulate this year's graduates, and that they will bring to the interests that they will serve or to the higher education they will pursue, the spirit of spiritual progress. This is a necessary accompaniment of successful material progress.

Asking Our Lady to bless the students of Alemany abundantly, I am
